

**Maine SPO Resolve 23
REQUESTED DATALAYERS LIST
1/30/2002**

Highest Priority Layers

Priority Layers

Layer Name and Description	Towns and Cities	Maine Counties, Regional Agencies, Tribal Councils and Land Trusts	Maine State Agencies	Utilities	Educators	Federal Agencies, National Organizations	Private Companies and Consultants	Rating
PARCELS with Attribute Data	11	5	5	3			1	25
ROADS E-911 and DOT Data from MeGIS as combined layer	10	6	4			1		21
LAND USE Coverage/Data	4	3	5		1	1	1	15
UTILITIES Data Layers (water and sewer systems)	5	2	1	2				10
ZONING data, with standardized attributes	2	2	4	1			1	10
MeGIS Base Data (available through periodic, dependable updates)	2		3	1		2		8
Shoreland Zoning Data and Overlays	3	2	2				1	8
CONSERVATION Lands, Protected Open Space	3		3					6
CONTOURS (10' or better, including surrounding communities)	4	1	1					6
WATER Distribution System Data	4	2						6
ORTHOPHOTOS (digital)	1	1	3					5
School District Boundaries	4		1					5
Sewer and Drainage System Data	2	1	2					5
Endangered Species Locations	2	1	1					4
Digital Elevation Model Statewide	1		2					3
Growth Areas		2	1					3
Hydrography (Enhanced Streams)	1		2					3
Soils			3					3
Watershed Boundaries			2	1				3
Wetlands (higher quality than NWI)		1	2					3
County & Municipal Boundaries (no shorelines)		1	1					2
Deer Habitats	2							2
Demographics Data (Census or other)		1	1					2
Fish and Wildlife Data		2						2
Floodplain/Flood Hazard Data			2					2
ROW for Planning & Analysis				2				2
Septic System Locations	1		1					2
Slopes	1		1					2
Transportation Networks	1		1					2
Air Quality Monitoring Data (Inland Fisheries & Wildlife)		1						1
Building Permit Data Geocoded				1				1
Business & Industrial Parks			1					1
Canadian Data (better than existing)			1					1
CMP Pole Location Data	1							1
CMP Transmission Line Location	1							1
CMP Zones and Circuits		1						1
Cultural Landmarks for ACOE permits			1					1
Easements Data			1					1
Electricity Connections	1							1
Environmental Contaminants (Arsenic) locations			1					1
Fire Control and Hazard Areas			1					1
FOOTPRINTS: All structures		1						1
FOOTPRINTS: Public Buildings (including Schools)		1						1
Forest Stand Types		1						1
Health Planning Areas			1					1
High Value Habitat		1						1
Home Sales	1							1
Insect and Disease Infestation Layers			1					1
Labor Demographics				1				1
Lake Depths		1						1
MARINE 3 Mile & 12 Mile Limit Location			1					1
MARINE Equivalent for Land Cover i.e., eelgrass, kelpbeds			1					1
MARINE Inter-tidal Data			1					1
MARINE Sea Sampling Data		1						1

January, 2002

Attachment A

Page 1 of 2

MARINE Seafloor Geology		1						1
MARINE: Commercial Fisherman Data		1						1
MARINE: Fisheries Management Areas			1					1
MARINE: Fishfarm Locations			1					1
MARINE: Shipping Routes			1					1
MARINE: Surficial Sediments Data for Fisheries Work			1					1
ME DOT Control Point Data				1				1
Metadata Including Data Status (CMP)				1				1
Municipal Civil Boundaries (Engineering scale)			1					1
New England & Northeast Transportation Network Maps			1					1
New Hampshire Data (projected to ME standard)			1					1
Noise Data			1					1
ORTHOPHOTOS (flown at low tide)			1					1
ORTHOPHOTOS: Aerial Photos		1						1
ORTHOPHOTOS: Aerial Photos (high quality, leaf off, full color)			1					1
PARCELS for All Coastal Towns			1					1
Permit Application Procedures		1						1
Phosphorus Loading Hotspots		1						1
Political Boundaries (known boundary monumentation)				1				1
Private Well Locations		1						1
Public Facilities Locations		1						1
Public Safety Data Layers		1						1
REGULATORY: Special Use Overlays			1					1
Rental Prices	1							1
Resource Protection Areas			1					1
ROADS Surface Management System datasets	1							1
ROADS Accurate and Prompt Road Change Updates	1							1
ROADS with Seasonal Weather Related Changes				1				1
ROADS: Streets and Paving Progress				1				1
ROW Project Tracking System			1					1
Rural Areas Polygons		1						1
Scanned Indexed Photographs Pertinent to Historic Sites			1					1
Service Area Maps (telecom service areas)				1				1
Services (house connections) in PWD network				1				1
Snow Plow Routes	1							1
Social Services Recipients	1							1
Street Tree Inventory	1							1
Student Locations (coded to E-911 roads)			1					1
SURVEY: Property Survey Data	1							1
SURVEYS: Geographic Index/Catalog: Locations of Where Site Plans Done					1			1
Tax Increment Financing Districts			1					1
Threats to Groundwater		1						1
Underground Storage Tanks		1						1
USGS Quads: Scanned, registered, complete, accurate digital raster graphic data)			1					1
UTILITY Service Area Boundaries			1					1
Water Quality Data		1						1

241

NOTES: The contents of this sheet are derived from interviews conducted by phone and in person with more than 70 individual entities and hundreds of individuals. They do yet not include input from the ONLINE SURVEY data that were collected independently.
